For Immediate Release:

11th Annual Charity Curling Classic raises \$16,300

The 11th Annual Charity Curling Classic raised \$16,300 to support the Owen Sound Regional Hospital.

Held on Saturday, November 27th at the Grey Granite Curling Club, the bonspiel attracted 14 teams of curlers from beginners to experts.

“Thanks to all our sponsors, the curlers and everyone who supported a great day,” noted Larry McCarthy, Chair of the organizing committee. “The total amount raised was one of our best ever!”

Bonspiel Sponsor was Grey-Bruce Electric. Draw Sponsors were Intact Insurance and Hal Wright Chevrolet, Cadillac, GMC, Buick. Media co-sponsors were Bayshore Broadcasting and The Sun Times.

Funds raised will support the purchase of heart care related equipment including a regional ECG management system. Like PACS for diagnostic images, the system will store and transmit digital ECG test results throughout the region, speeding diagnosis and time to treatment.

Over its 11 year history, the Curling Classic has raised more than \$150,000 to support the Hospital.
